GRASSROOTS PROGRAM

Parent Information 2024 v1

Dear Parents and Guardians

The Grassroots Program provides mountain bike skills coaching sessions and supervised/coached trail rides for children aged 7 to 15 years old, with sessions offered in Dunsborough.

All coaches and program coordinators are volunteers on the program.

Session Times - Dunsborough Mondays

Skills coaching sessions (including trail riding) are held at the Dunsborough Mtb Park (meet at Dunsborough and Districts Country Club fortnightly on alternate **Monday** afternoons Group 1 3.30-5pm (7 – 10 year olds/mixed ability) and the following week Group 2 4.30-6pm (9 – 15 year olds/mixed ability). Starting this year we will also be offering Group 1 students who have attended one term previously the opportunity to attend weekly sessions with Group 2 at 4.30pm on the off week. Speak to Abi or Graham about this opportunity.

Session Times – Dunsborough Tuesdays – by invitation only

Skills coaching sessions are held at Dunsborough Mtb Park weekly on Tuesday afternoons at 4.30pm (9-15 year olds). Group 3 and 4 are by invitation only.

For those in Group 2 who want to ride weekly Group 2.5 attends the Monday Group 2 session and in the off week Group 2.5 on Tuesday afternoon.

There may also be occasional supervised trail rides held on weekends at various other trail networks throughout the south west, giving the kids a chance to try out their skills on different trails.

Coaching

The program is run by qualified PMBIA Level 1 coaches (AusCycling Development Coach), trained to a level that will enable them to teach the basics of mountain biking up to an intermediate level. Our Tuesday Group 3 coaches are now qualified to PMBIA L2 and our Group 4 coach (Lee) is qualified to PMBIA L3 enabling them to teach intermediate+ and advanced techniques and in Lee's case beyond.

Fees

Cost of the Grassroots Program is \$65 per term for the fortnightly Groups 1 and 2; and \$130 for the weekly Groups 1.5, 2.5, 3 and 4.

Please note that all riders must have a current AusCycling membership and Cape Mountain Bikers membership. This is to ensure that riders are covered by insurance and public liability. Parents can join their children up for AusCycling and Cape Mountain Bikers simultaneously for a total minimum cost of \$81+1 per year or \$9.50 per month (Lifestyle membership as at July 2023). Adults or children who have not had AusCycling membership within the last three years should be eligible for

a free trail membership lasting 4 weeks. Go to the AusCycling web address to join (nominate Cape Mountain Bikers as your club): <https://www.auscycling.org.au/membership>

Parents are welcome to come along on the rides with their children at no cost, however they will also need to have a current AusCycling membership and Cape Mountain Bikers membership. As above, both memberships can be obtained simultaneously, with the total minimum cost for adults being \$129 per year/\$11 per month (Basic Lifestyle) or \$134+1 per year/ \$13 per month (Lifestyle), as July 2023 – remember to nominate Cape Mountain Bikers as your club. The 4 week free trail membership is also available for adults. Please note parents joining the rides must also meet the equipment requirements specified below.

Equipment Requirements

BIKES:

To ensure the safety of all participants and the continued enjoyment of the sport, it is required that your child is fitted with a suitable bike. Minimum requirements for a bike include:

- Well-functioning V-Brakes as a minimum, no back pedal brakes.
- Dirt specific tyres with a decent amount of tyre profile.
- Handlebar grips that ensure bar ends are not exposed.
- Saddle which is positioned at a height that allows your child to touch the ground with both feet at the same time.
- Gears are not essential but highly recommended, we recommend a rapid fire based gear shift rather than gripshift, which can be very difficult for your child to use.
- A light frame is also highly recommended. The weight of a bike has a much greater effect on your child's ride enjoyment than it would for an adult so please keep this in mind.

The bike does not have to be mountain bike specific as long as it meets the brake, tyre, handlebar grip and seat requirements and is in good working order.

SAFETY EQUIPMENT:

It is also important that your child is protected adequately in case of a fall. Please ensure all safety equipment is in good working order. Your child will require:

- Helmet that meets Australian Standards and is well fitted.
- Water bottle or "Camelbac" containing at least 300ml of water
- Warm clothing in winter!
- Gloves, not essential but highly recommended.
- Knee pads, elbow pads, not essential but highly recommended.
- Safety glasses/sunglasses – not essential but highly recommended.

Our program will cover bike equipment and safety at the beginning of each term. We do however strongly recommend that you take your child's bike to one of our local bike shops and allow them to do a full safety check and service. When doing so, ensure you let them know it is for the CMB Grassroots Program. Our local recommended bike shops are Bike Shed in Dunsborough, South West Cycles in Busselton and Humble Bike Company in Vasse. The guys at these shops are also more than happy to answer any questions you may have regarding bikes and safety equipment.

How To Enrol

If you would like to enrol your child for the Grassroots Program please log on to our website at www.capemountainbikers.asn.au/grassroots and complete the online Grassroots Registration Form.

Payment should be made at the time of submitting your enrolment as per the payment methods specified during the registration process. Please note that places in the program are limited so early enrolment is recommended.
